

International Conference “Computational and Information Technologies in Science, Engineering and Education” (CITech–2018)

**September 25-28, 2018
Ust-Kamenogorsk, Kazakhstan**

SECOND ANNOUNCEMENT

Leading scientific and educational organizations:

- D. Serikbaev East Kazakhstan State Technical University, Kazakhstan
- Institute of Computational Technologies of SB RAS, Russia
- Al-Farabi Kazakh National University, Kazakhstan
- Kazakhstan Engineering Technological University, Kazakhstan
- University of International Business, Kazakhstan
- High Performance Computing Centre in Stuttgart (University of Stuttgart), Germany
- University of Pristina in Kosovska Mitrovica, Serbia
- Novosibirsk National Research State University, Russia
- Novosibirsk State Technical University, Russia
- Siberian State University of Telecommunications and Information Sciences, Russia

will host its **traditional International Scientific and Practical Conference "Computational and Information Technologies in Science, Engineering and Education" (CITech–2018) in September 25-28, 2018.**

The aim of the Conference is to share experience, discuss the problems in the application of computational and information technologies in various fields of science, engineering and education as well as the expansion of international scientific and technical collaboration between the leading specialists.

Main directions of the Conference:

- Mathematical modeling of technological processes
- High performance computing
- Information management, processing and security
- Technological process automation and control
- New information technologies in education

Conference Venue:

The Conference will take place in the beautiful city in Central Asia – Ust-Kamenogorsk, one of the economic, scientific and educational center of the East part of the Republic of Kazakhstan. Ust-Kamenogorsk is the city located on the banks of the Irtysh River and in the foothills of the Altai Mountains. The Conference will be held at the most favorable time for visiting the place. The Conference will take place on September 25-28, 2018 in D. Serikbaev East Kazakhstan State Technical University. The address: 070010, The Republic of Kazakhstan, Ust-Kamenogorsk city, Serikbaev Street, 19.

Forms of participation in the Conference: oral report and participation without report.

Conference languages: English, Russian, Kazakh.

Participation application:

Online registration and application for the report (topic) should be submitted in English only before **March 20, 2018** on the Internet Conference website: <http://do.ektu.kz/citech-2018/Account/Register>

Documents Submission:

The Conference abstracts should be submitted in English or Russian or Kazakh, in LaTeX 2 ϵ format, the volume is 1 page, according to the [abstract template](http://do.ektu.kz/citech-2018/AbstractSubmission) and they will be accepted only through the Conference website <http://do.ektu.kz/citech-2018/AbstractSubmission> before **March 20, 2018**. The reports should be submitted in LaTeX 2 ϵ format, in English or Russian, the volume should not exceed 15 pages, according to the [full paper template](http://do.ektu.kz/citech-2018/ReportSubmission) and they will be accepted only through the website <http://do.ektu.kz/citech-2018/ReportSubmission> until **April 20, 2018**.

Publications:

By the beginning of the Conference, the book of abstracts will be published and proceedings in the joint issue of "Vestnik of D. Serikbaev East Kazakhstan State Technical University" and "Computational Technologies" will be issued. Based on the proceedings, English is only selected by the Conference International Expert Council, the book of articles on the direction "Mathematical modeling of technological processes" is planned to publish with Springer in their series "Communications in Computer and Information Science" and then will be indexed by Scopus citation database. One author can submit no more than three reports (individually or in co-authorship). Materials submitted late or not meeting the requirements are not considered and are not returned.

Conference registration fee of 50 EUR should be paid via Bank transfer before **June 1, 2018**. Organizational fee includes submission of up to 3 reports of various areas of the conference. Details on payment of the registration fee is on the Conference website <http://do.ektu.kz/citech-2018/Fee>

All **additional information** will be posted on the Conference website <http://do.ektu.kz/citech-2018>

Important dates:

| | |
|------------------------------|--|
| before March 20, 2018 | Registration and submission of abstracts |
| before April 1, 2018 | Notification of report acceptance into the technical program |
| before April 20, 2018 | Submission of full text reports |
| before June 1, 2018 | Notification of the report publication in the Conference Proceedings |
| before June 1, 2018 | Payment of the registration fee |
| before July 1, 2018 | Improvement of full text reports |

Organizing Committee Address:**in Ust-Kamenogorsk:**

D. Serikbaev East Kazakhstan State Technical University
Serikbaev Street, 19,
070010, Ust-Kamenogorsk, Kazakhstan
Phone: +7 (7232) 704 638 add. 344
Fax: +7 (7232) 267 409
Email: NDenisova@ektu.kz

in Novosibirsk:

Institute of Computational Technologies of SB RAS
Avenue Academician Lavrentiev, 6,
630090, Novosibirsk, Russia
Phone: +7 (383) 334 9130
Fax: +7 (383) 330 6342
