

## International School of Engineering

**Member of the Management Board –  
Vice-Rector for Academic Affairs of  
NJSC “D. Serikbayev East  
Kazakhstan Technical University”  
A.Kh. Mashekenova  
2026 y.**

### Quality goals for 2026

*The quality objectives are consistent with the Mission, Strategic Objectives, and Quality and Quality Assurance Policy of NJC «D. Serikbayev EKTU»*

1. Secure positions in global rankings: QS WUR TOP 950+, Green Metric TOP 110+.
2. Keep 55% of educational programs in the TOP 5 of the Atameken NCE educational program ranking.
3. Ensure a high-quality student contingent (bachelor's, master's, PhD) of at least 597 students (by October 1, 2026).
4. Ensure that at least 350 million KZT of the university's total revenue in 2026 comes from research and development (R&D).
5. Publish at least 38 scientific articles in indexed journals and international conferences materials (Web of Science and Scopus) in 2026.
6. Ensure at least 8 PhD theses defenses in 2026.
7. Reach at least 90% employer satisfaction rate regarding the quality of graduate training.
